BOOK SYNOPSIS

BMW Z-cars have carved a huge reputation for themselves in a very short time. From the revolutionary and innovative Z1 of the late 1980s to the beautiful and exclusive Z8 of more recent times, via the hugely popular Z3 and its controversial replacement, the Z4, the family has made BMWs name in the increasingly competitive sports-car market. Motoring writer Mick Walkers complete history of the BMW Z-cars tells the whole fascinating tale of these special cars. Illustrated with many archive and specially-taken photographs, and full information about the cars, this is a book no BMW fan will want to be without.
