BOOK SYNOPSIS

Much-Afraid had been in the service of the Chief Shepherd, whose great flocks were pastured down in the Valley of Humiliation. She lived with her friends and fellow workers Mercy and Peace in a tranquil little white cottage in the village of Much-Trembling. She loved her work and desired intensely to please the Chief Shepherd, but happy as she was in most ways, she was conscious of several things which hindered her in her work and caused her much secret distress and shame. Here is the allegorical tale of Much-Afraid, an every-woman searching for guidance from God to lead her to a higher place.
