BOOK SYNOPSIS

Kiss My Boots is the second sultry novel in the Coming Home series from New York Times and USA Today bestselling author Harper Sloan. Perfect for fans of Kelly Elliott, Diana Palmer, Jennifer Ryan and Maisey Yates. Quinn Davis prefers to live her life quietly. She's the stereotypical tomboy with two overprotective big brothers who have always been there to protect her, especially from devilishly handsome cowboys with silver tongues. That is, until Tate Montgomery comes riding into town. Quinn might finally have a shot at her own happily-ever-after - but will she let love in, or will she tell it to go ahead and kiss her boots? Tate returns to his childhood hometown to start his life over and get a second chance at happiness. He might not remember Quinn from the summer vacations that he used to spend on his PawPaws farm but all it takes is one glance, and he can't get the raven-haired beauty out of his mind. Can two people who have stopped believing in love take a chance to find it in each other? Or will the pain of the past prove too great a hurdle to conquer? Want more rugged, charismatic cowboys? Don't miss the rest of this sizzling Texas-set series which began with Lost Rider.

KISS MY BOOTS THE COMING HOME SERIES - Are you looking for Ebook Kiss My Boots The Coming Home Series ? You will be glad to know that right now Kiss My Boots The Coming Home Series is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
