BOOK SYNOPSIS

The Multiple Mini Interview (MMI) has become the preferred interview format at many health professions programs and medical schools. Applicants seeking admission to these schools face considerable anxiety preparing for these interviews because of a lack of resources available for guidance. Our detailed advice, based on evidence from research in the field and perspectives of admissions faculty, will provide you with the insiders perspective. How can you best prepare for the MMI? What is required to deliver a winning interview performance? Which behaviors, attitudes, and answers are prized by interviewers? Includes sample answers to MMI questions and advice to help you avoid common mistakes. This book shows applicants how to develop the optimal strategy for MMI success - an invaluable resource to help applicants gain that extra edge.
