BOOK SYNOPSIS

A brand new romance novel by the queen of interracial romance, Mallory Monroe! A romantic affair was the last thing Tommy Gabriini was looking for when he attended a dinner party at a friends house. He had broken up with his longtime girlfriend five months earlier and was contented to play the field for the rest of his life. But when a gorgeous, sleek, African queen in red walked across his path, he knew something dramatic was about to happen. Grace McKinsey knew Tommy Gabriini to be a rich, drop dead gorgeous playboy, but what she quickly realized was that he was also attracted to her. On the night of her thirtieth birthday, their passion for each other spills over into passionate love making that they both assumed would be a one-night stand. But circumstances intervene and soon Tommy and Grace realize that they cant live without each other, and dont want anybody else. They have to give love a chance. In a stirring interracial romance, Mallory Monroe takes her readers on a sensual journey of love, lust and unrequited revenge, where Tommy and his lady love cleave to each other, as outside forces conspire to tear them apart.
